

NAAM YOGA[®] ON CNN

SPECIAL REPORT:
NAAM YOGA A GREAT HELP
FOR THOSE WITH DIABETES!

Renata Spironello from Naam Yoga[®] LA on CNN

NAAM YOGA is growing so fast it's incredible! We gratefully share these photos from CNN Latino's Prime Time interview last night focusing on how Naam Yoga is helping people with Diabetes.

Enrique, a Naam Yoga student in his early seventies and one of the many members of Club de Oro, was interviewed on the show and told the story of how his Diabetes medication was cut in half since he started doing Naam Yoga. He went on to say that he has also lost weight and feels much healthier. In the words of Enrique, **"it was all thanks to Naam Yoga."**

We are grateful to share this healing journey with him and look forward to checking in with him soon as his health continues to improve.
